

# Interchange Improvements Florida's Turnpike/SR 91 at Kissimmee Park Road

FPID: 441224-2

## Description

The project improves the interchange on the Turnpike / SR 91 at Kissimmee Park Road. The project will complete the interchange, providing full access for traffic to and from the north as well as to and from the south. The PD&E and design for the interchange modification will be conducted concurrently.

### Funding

The Turnpike has funded two phases of this project Right-of-Way and Construction for a total of \$48.2 Million.

### Status

The project is scheduled for Construction in Fiscal Year 2022.
